**Faction of Fools Theatre Company**, DC's Commedia dell'Arte theatre company and recipient of the **2012 Helen Hayes Award for Outstanding Emerging Theatre Company**, begins its 2017 – 2018 season with *Foolish Fairytales*. What better way to spend the holidays, than with the Fools, as we put our trademark spin on everyone's favorite classics? Four actors bring an entire fairytale world to life in a physical flurry of bears, pigs, witches, slippers and more!

Join Dottore as he guides you through a 60-minute whirlwind ride. Will you recognize these fairytales, when he's done with them? Only time will tell. Faction returns to CHAW for another holiday season full of warmth, good cheer, and fun for the entire family! Written and Directed by Artistic Director Paul Reisman, and led by the same creative team behind Faction's Helen-Hayes nominated production of *Pinocchio!* With eight performances only - you won't want to miss ***Foolish Fairytales!***
